

REPLAY Turf Ryegrass Blend

Replay is an elite blend of turf type ryegrass specifically designed for use on Sportsfields, Golf Courses & General Landscape situations.

Replay brings together all the essential qualities required for a premium turf surface.

Our selected varieties – Allstar 2, Keystone 2 & Southern Gold – have all come out of the US breeding programs, each exhibiting complimentary features to enhance your playing surface.

We carefully select our varieties following extensive trailing in the Australian ANTEP programme. We look for enhanced establishment, rates, improved density, colour and wear ability.
