Terms and Conditions of Use Compatibility Chart

- It should be used as a guide only. It relates only to mixing SIMPLOT PRO-LINE products with selected turf chemicals.
- Results obtained were conducted under Standard laboratory conditions. Variations may occur in the field such as water quality and climate.
- SIMPLOT PRO-LINE provides no guarantees or warranties with respect to:
 - The compatibility of these chemicals;
 - The efficacy of the chemicals;
 - The suitability of these mixtures for use on turf.
- Tests were conducted using SIMPLOT PRO-LINE products and turf registered chemicals at recommended application rates with water rates.
- Subsequent to the time of testing by SIMPLOT PRO-LINE, manufacturers may have changed product formulations and recommended dilution rates and application rates. Check label rates prior to use.
